# CLONLARA SCHOOL 2009-10 CALENDAR

September 7, 2009 – June 11, 2010

## THE CYCLE OF CLONLARA HBEP

Advisors are available to answer your questions throughout the school year from September through June graduation. Because our Home Based Education Program serves as the bridge between the home-educated student and the traditional school system, Advisors operate under same cycles and deadlines of the traditional school systems, concentrating on specific activities during specific months:

**August and September** – Helping families plan their curriculum

**October and December** – Assisting with college and university applications

**January** – Reviewing Seniors' first semester work

**May** – Reviewing Seniors second semester work and graduation materials

**June and July** – Planning and attending graduation ceremony, updating transcripts and reports

During busy times, it can be challenging for Advisors to respond to urgent and last-minute requests, especially those outside the normal time-frames. Please help us by submitting your forms in a timely manner and by paying attention to the cycle of the school year. We appreciate it very much!

The Clonlara office remains open in the summer, and office staff remain available to assist with records and other administrative requests.

**Please note:** In accordance with our published tuition and fees, Clonlara charges a *Late Fee* for missed deadlines on services which specify a deadline. Please see our website or contact our office for further information, [www.Clonlara.org/home\\_based\\_tuition](http://www.Clonlara.org/home_based_tuition).

Clonlara School is closed for the following holidays:

- Labor Day – September 7, 2009
- Thanksgiving – November 26-27, 2009
- Christmas – December 24-25, 2009
- New Year – December 31, 2009 & January 1, 2010
- Dr. Martin Luther King, Jr. Day – January 18, 2010
- Memorial Day – May 31, 2010

Due to our location in Michigan, we are occasionally closed for bad weather days during the winter. These days are listed on the local news channels.
